You need not be afraid of the test of wear either. When you buy Clothcraft Clothes at \$10 to \$25, you can be satisfied that they will keep their fresh-bought dressiness, style and shape from the first to the last day you wear them.

The Clothcraft guarantee makes it unnecessary for you to depend on your own judgment alone in buying clothes. The things you can't see or foresee are all covered by this broad liberal guarantee which insures pure wool, lasting shape, satisfactory wear and service.

These insured clothes at \$10 to \$25 make it unnecessary to take a chance. They make the difference in your favor of performance over promise in the matter of getting clothes quality and service.

It's a difference worth considering. Ask us more about it before you buy your next suit.

SUTTON & McBEE

MR. T. S. BRANNAMON

To the voters of Rockcastle:

I take this means of announcing that I am candidate for sheriff of Rockcastle county subject to the action of the Republican party, August primary 1913. If elected Mr. R. H. Long will

be my deputy. I will have two opponents, Mr. Tip Langford and Mr. Cam Mullins, both splendid good men, but as Mr. Langford has already been honored by the voters and Mr. Mullins has a splendid position with the L. & N. Railroad and does not need the office as I do, and having never held an office, I trust the voters will give me claim the consideration I feel that is due me, in your decision as to whom you will support in the coming contest. One term of office is all I shall ask. If elected, I will go into the office sober and come out of it the same way. I am a farmer and live four miles North of Mt. Vernon, and Mr. Long, who is also a farmer, lives about an equal distance on the South side. I believe I know the duties and character of service that a faithful and efficient officer, is required to render and it elected let me assure one and all, that there will never be any cause for regret, upon the part of those who voted for me, because of the neglect or failure upon my part, to perform any obligation coming within the scope of the duties of the high sheriff of a county.

Yours very truly,
T. S. BRANNAMON.

HON. E. B. THOMPSON

After being solicited by many voters from different sections of the county, I have decided to present my name before the Republicans of Rockcastle county as a candidate for County Attorney, to be voted for by the Republicans at the Republican Primary to be held on the First Saturday in August, 1913.

I have no fixed code of principles, (or platform), to set forth as the grounds upon which I propose to make the race, more than to say that if nominated and elected I will use all my time and energy to discharge the duties of the Office in a fair and faithful manner. I consider a Public Officer the servant of the people who elect him, and that it is his duty to give his entire time and attention to the service of the people in transacting their business. His office doors should be open at all reasonable hours to them.

I am a firm believer in a (Square Deal). Is it fair and square to allow one man "Life Tenure" in Office? To do so means to violate the very letter and spirit of our form of government; valuable public service is not the exclusive power of one individual. In the beginning, I pledge myself to the people, if nominated, I will be true to the principles of our great Government. In this manner alone can a "Square Deal" be assured.

I am not asking for this office because I think I would make the best County Attorney the County has had, but am asking for it because I feel that I am qualified to hold the office, and know that I will do my best, and I promise the people to discharge the duties in a proper manner.

I propose to make a clean, but vigorous fight for the nomination, and I shall make every effort possible to see every voter in the county and discuss the matters pertaining to my campaign face to face with them. In case I have opposition, I will gladly campaign the county with my opponents and discuss the questions together before the People, and give them a chance to see them in action.

I am a Republican and believer in the principles of the great party. A Party founded by such men as Lincoln, Grant, Blaine and Sherman is good enough for me and the principles as enunciated by them can never die; they are Eternal. I can truthfully say that I have never dodged nor shirked when called upon to do service for My Party.

Now in conclusion. I will say to the voters; inquire concerning me, and if I measure up to the standard of what a County Attorney should be, I will appreciate your support.

Yours respectfully,
E. B. THOMPSON.

in the course of his conversation remarked that he was surprised to find such a quiet, peaceable place as it was, owing to the fact that only a few years ago it was dangerous to be out after night. We know that there has been an awful change, but we think that it is time, and we are satisfied that there is not a more quiet spot on the map than the little town of Livingston.—Mr. and Mrs. George Hellard, of Hazel Patch, are visiting Mr. and Mrs. S.
